STAR STUDENT AND STAR TEACHER

Gleeson Murphy

At least once during an educational experience, one is blessed to have an exceptional teacher. I have been lucky enough to have a particularly exceptional teacher for the past five years. I have seen Mr. Richards turn the Hancock High School Band into an all-superior organization. I respect him as a diligent teacher and as a great friend because it is a rare treasure for a student to become such good friends with a teacher.

Sissy,

You are one of the three treasures God has given to me. I can remember bouncing you on my knee while I sang this rhyme.

My sassy little Sissy,
My Sissy's a little bit sassy.
My sassy little "Sissy Gal"!

Good thing you did not really turn out to be sassy (Ha, Ha).

Your spunk will take you far. Make a difference.

Love always
Mom

Congratulations Danielle!

I'll always be there for you as your journey through life continues. You have brought joy and happiness to my life.

Love,
Daddy

As we walked into the room,
 With satisfaction in our eyes,
 With laughter on our faces,
 Yet a tear held deep inside.
 As we looked at each other,
 We wonder what each will be,
 We wonder what each will do,
 But tomorrow we cannot see.
 We look back through our memories,
 We look back through the years.
 We see a lot of laughter,
 And recall a silent tear.
 It's hard to say goodbye,
 It's hard for us to let go,
 For we each have seperate dreams,
 We are not only friends,
 But one great big family,
 Trying so hard together,
 To be the best that we can be.
 As we leave and go on,
 We watch the time go by,
 But yet through it all,
 WE NEVER SAY GOODBYE.

Sometimes things are hard but never give up. Keep pursuing your dreams and the door to your goals will never be shut.

I Love You Mindy!
Moma

Keep working hard and remember this - I'm proud of you.
You're my little sis.

To Our Darling Daughter, Kristi

*What makes people succeed
is the fact that they have confidence in themselves
and a very strong sense of purpose
They never have excuses for not doing something
and always try their hardest for perfection
They never consider the idea of failing
and they work extremely hard towards their goals
They know who they are
and they understand their weaknesses
as well as their strong points
They can accept and benefit from criticism
and they know when to defend what they are doing
They are creative people
who are not afraid to be a little different
YOU are one of these rare people
and it is so exciting to watch you
on your path to success
as you follow your dreams
and make them a reality.*

*Kristi,
You are the sunshine in our life,
and we wish you nothing but the best
in the future. Always be true to yourself
no matter what.
